

# EUGENE NAM

Brisbane, Queensland · eugenenam.dev@gmail.com · 0478069770 · <https://github.com/eugenenam111>

## EDUCATION

---

**James Cook University**  
Bachelor of Information Technology

Cairns, QLD  
2018 - 2022

## WORK EXPERIENCE

---

**OneLifeClub**  
*Junior Fullstack Developer*

Brisbane  
November 2022 - Present

- Migrated website and database to a new host on WordPress without data loss or downtime.
- Initiated development of a React-based (Next.js) web platform for OneLifeClub with custom components and features.
- Collaborated with client and team members to discuss priorities of the project to ensure efficacy.
- Configured and implemented GraphQL queries.
- Produced high-quality code following best practices and committed on GitHub.

**Muddy's Cafe**  
*Barista/All Rounder*

Cairns, QLD  
August 2019 - November 2022

- Collaborate seamlessly with team members to optimize workflow efficiency, prioritize tasks, and deliver exceptional service even during high-volume periods.
- Display a genuine passion for coffee and tea culture, continuously seeking opportunities for professional growth and enhancing expertise in the field.
- Embrace flexibility by readily adapting to changes in scheduling, tasks, and priorities, demonstrating a strong commitment to the team's success.

**Farmer Meets Foodie**  
*Web Developer Intern*

Cairns, QLD  
November 2021 - December 2021

- Collaborated with tech and marketing team to enhance UI of the main website and WIX site using HTML, CSS, and JavaScript.
- Created multiple landing pages on WIX site to increase conversions and leads.
- Improved UX of existing website by implementing user feedback and testing.
- Customized back-end functionality to meet client's specifications and needs.

**Universal Store**  
*Retail Sales Assistant*

Cairns, QLD  
April 2020 - June 2022

- Achieved high customer satisfaction by providing exceptional sales service and communication skills.
- Engage customers in meaningful conversations to understand their preferences, needs, and budgets, offering personalized recommendations and styling advice.
- Actively participate in achieving sales targets and store objectives by upselling, cross-selling, and promoting current promotions or special offers to maximize revenue.
